Covid-19 Safety Regulations

Due to the covid-19 virus, Dehiwala National Zoological Gardens management has taken some decisions which will be crucial to the health of our visitors, staff and our animals. Due to this fact, we kindly request all our visitors to obey to the safety rules and regulations of the zoo.

1. Keep your mask on when you're inside and outside the premises. (Please note that no visitor would be allowed inside without the mask).
2. Always maintain social distance, maintaining at least a 2 meter gap would be ideal.
3. Stay away from feeding animals or touching them.
4. Due to the pandemic, you would not be able to go near animal cages.
5. Not following these rules will lead to a fine and many more strict punishments.

We kindly request all our visitors to be well behaved and to follow these simple lifesaving instructions.

Thank You!

Management,

Dehiwala National Zoological Gardens,

Sri Lanka
